## The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2017 to June 30, 2018)*

### **6. Governance, Leadership and Management**

#### 6.1 State the Vision and Mission of the institution

##### **The vision statement:**

Padmabhushan Dr.Karmaveer Bhaurao Patil's vision has been reflected in the realization that education for the masses is the principal instrument and tool for the eradication of all pervasive social evils and the desirable progressive social change. Dr. Bhaurao Patil, the father of Rayat Shikshan Sanstha sowed the seeds of mass education in our country. His motto: **“Education through self help”** has been the significant and chief drive of social change through which Dr. Bhaurao Patil visualized to achieve the different tasks of nation building by establishing social equality and social justice.

The aims and objectives of the college include academic excellence, social concern and character formation.

##### **The mission statements:**

In order to achieve the vision as visualized by the founder of our mother institution, we are committed to impart higher education through the University formal courses and non-traditional self-financing and short-term courses for the upliftment of the backward, the depressed, the underprivileged and the tribal communities of the region with a view to inculcate values and virtues among the students as stated in the aims and objectives of the institution. Some of the major missions of the institution are as follows:

1. To impart value based, job oriented and real life education
2. To build and enhance educational skills necessary in today's society
3. To empower the students through modern learning techniques and participation in curricular, co-curricular, extracurricular activities and extension
4. To develop and enhance the students real life problem solving skills
5. To encourage and reinforce the critical thinking skills of the students
6. To develop research culture among the staff and students and to carry out community oriented eco-friendly research for development of the region
7. To generate equal opportunities for tribal community students of this region
8. To develop the students' ability to communicate intelligently

Rayat Shikshan Sanstha's Annasaheb Awate Arts, Commerce and Hutatma Babu Genu Science College has created its unique place in the Northern region of Pune district. This institution with its roots in early post-independence period has always stood for the cause of nation building through empowerment of the weak and its mission of character building. The underprivileged people of this region and especially the tribal communities have been given an open access to learning at an affordable cost by this college.

Being an affiliated college majority of the programmes are conventional ones. But in the last decade the element of employability has been added to that of affordability by starting a number of new and job-oriented programmes in emerging fields of study.

In addition to the new courses, an array of opportunities is provided to the students for realizing, maximizing and actualizing their potentials. The regular and innovative co-curricular and extracurricular activities of the college act as an effective means of value inculcation, character formation and social reformation. The college also aims at instilling scientific zeal and research culture necessary for this region. Through its threefold system i.e. academic, co-curricular and extra-curricular programmes, the college tries to kindle the students' sense of ethics and leadership potential and sensitize them towards inclusive social concerns, human rights, gender and environmental issues thereby. The vision and mission of the institution reflect the objectives of the national policies of higher education, namely molding human resources to meet contemporary challenges.
