REPORT

Title : One Day National Conference on Emerging Trends in Science and Technology (ETST- 2024)

Date : 16th March 2024

Venue : Karmaveer Auditorium

INTRODUCTION:

The One Day National Conference on Emerging Trends in Science and Technology (ETST-2024) convened on 16th March 2024 at Rayat Shikshan Sanstha's Annasaheb Awate Arts, Commerce & Hutatma Babu Genu Science College, Manchar, organized by Department of Chemistry. The conference served as a platform for researchers, academicians, industry professionals and students to explore and discuss the latest advancements, innovations, and future directions in the field of chemical science and technology. There were 01 key note, 02 lead talks, 12 oral presentations and 15 poster presentations conducted. Approximately 84 (17 permanent faculties, 17 management approved faculties and 50 B.Sc./M. Sc. students) participants attended the conference representing different fields of science from more than 20 colleges.

KEY OBJECTIVES:

1. To highlight and discuss emerging trends in chemical science and technology.
2. To facilitate interdisciplinary collaboration and knowledge exchange among researchers and professionals.
3. To showcase innovative research and technological developments addressing contemporary challenges.
4. To inspire and motivate participants to contribute to the advancement of chemical science and technology.

CONFERENCE PROGRAM:

The conference program featured keynote presentation, panel discussions, Oral and paper presentation sessions. Esteemed experts and scholars delivered keynote addresses, shedding light on emerging trends and future prospects in various subfields of chemical science and technology.

Details of the esteemed experts are as follows:

1. **Prof. Dr. Satish Pardeshi:** Senior Professor & Head, Department of Chemistry, Savitribai Phule Pune University, Pune
2. **Dr. Sudhir Arbuj:** Scientist C, Centre for Materials for Electronics Technology, Pune
3. **Prof. Dr. Atul Chaskar:** Professor, Department of Chemistry, Institute of Chemical Technology, Mumbai

Keynote presentation and panel discussions provided opportunities for in-depth conversations on topics such as Preview of ZnO as a Versatile Material for Various Applications, Green Hydrogen Production using Semiconductor Photocatalysis and Emerging Trends in Organic Light Emitting Diodes (OLEDs).

Participant Engagement and Networking:

The seminar provided a platform for meaningful interaction and networking among participants, researchers, legal professionals and academics. Networking sessions, breaks, and the conference lunch provided participants with opportunities to interact and network with peers, colleagues and industry professionals. Informal discussions facilitated the exchange of ideas, collaboration discussions, and the establishment of professional connections across institutions and sectors.

Inaugural Function: The session started with the Convenors, Dr. A. A. Kale felicitated the Chief guest & experts for the conference and has given a brief talk on overview of the conference. The conference book proceedings with ISBN no. 978-81-962293-6-8 have been released by the dignitaries. Prof. Dr. Satish Pardeshi has inaugurated the ceremony and has deliver the inaugural address. Vote of thanks for the inaugural session was given by Dr. S. T. Shinde.

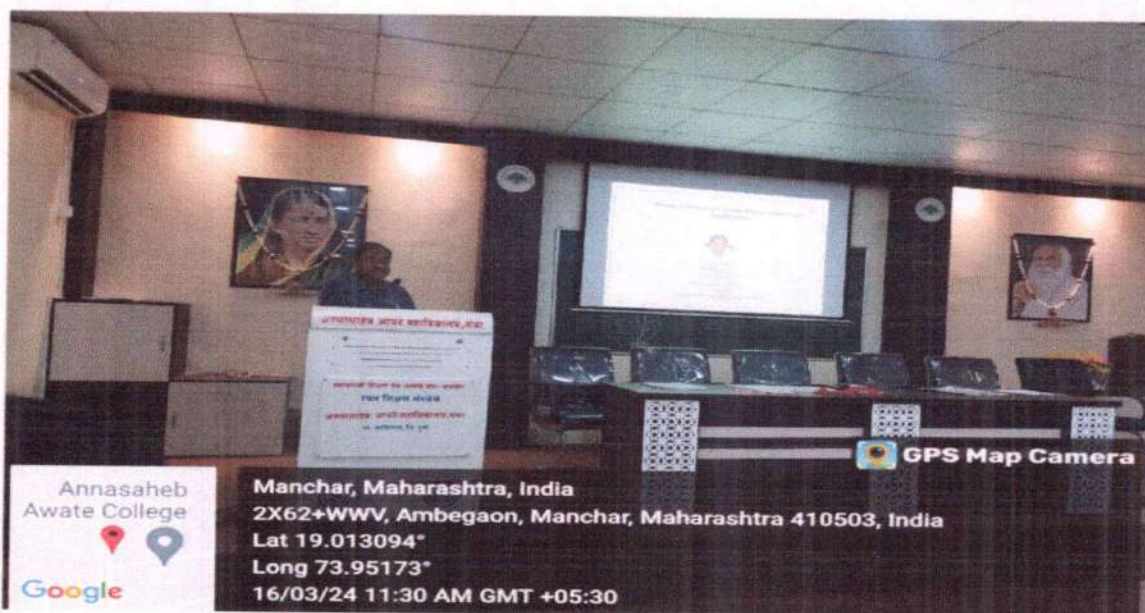

Prof. Dr. A. A. Kale, Head, Department of Chemistry while introducing about the outline of ETST Conference & keynote speakers of programme.

Dr. A. A. Kale, Dr. S. N. Bolbhat & Dr. V. D. Sadafal while welcoming the keynote speaker of the ETST conference Honorable Dr. Satish Paradeshi & Dr. Sudhir Arbuj with offering a bouquet.

Dr. Satish Pardeshi, Senior Professor & Head Department of Chemistry, SPPU Pune Key note speaker of ETST conference while delivering his speech on wide scope application of ZnO material in research.

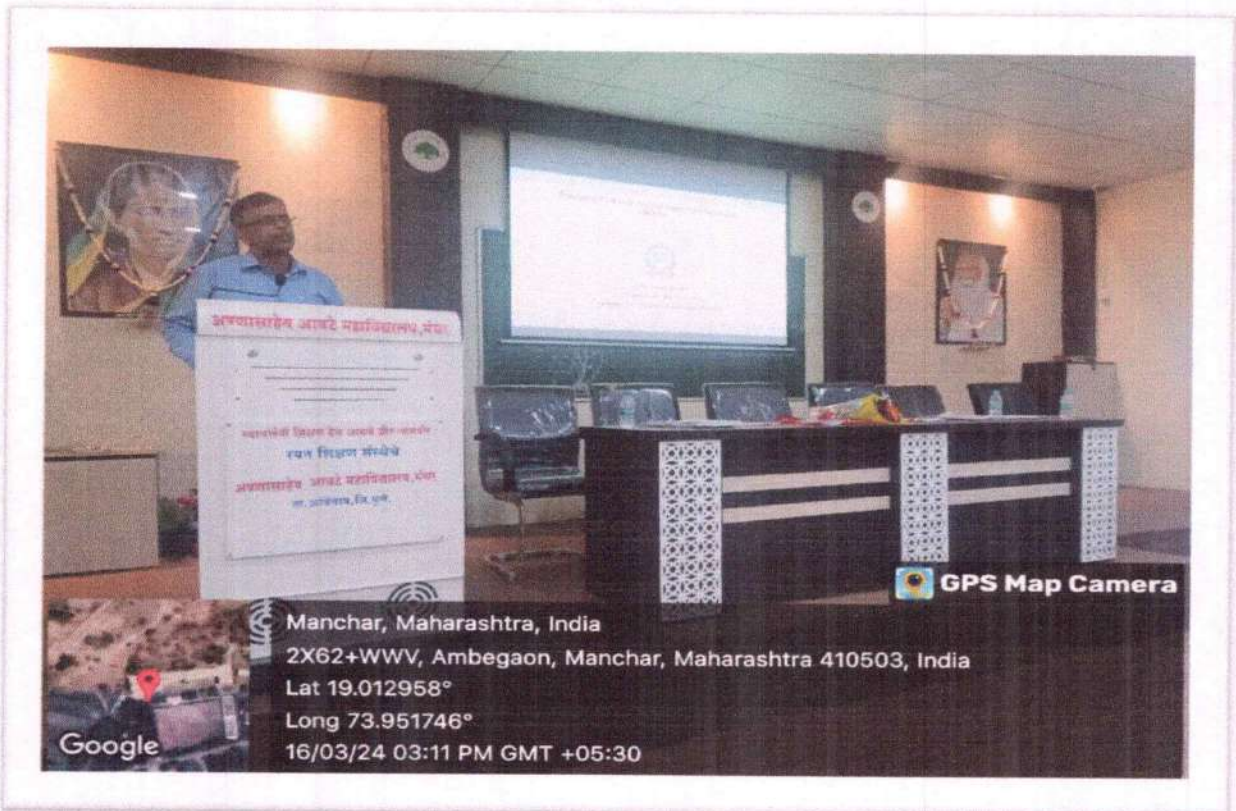

Hon'ble Dr. Sudhir Arbuji, Scientist- C, C-MET Pune, Key note speaker of ETST conference while delivering his speech on Green Synthesis of Hydrogen and their application.

Prof. Dr. S. T. Shinde while proposing vote of thanks of session I & II.

Dr. Atul Chaskar, Professor, ICT Mumbai, Key note speaker of ETST conference while delivering his speech on Emerging Trends in Light Emitting Diodes.

Participant feedback given by Prof. Shantanu Thakare, Assistant Professor, ACS College Narayangaon.

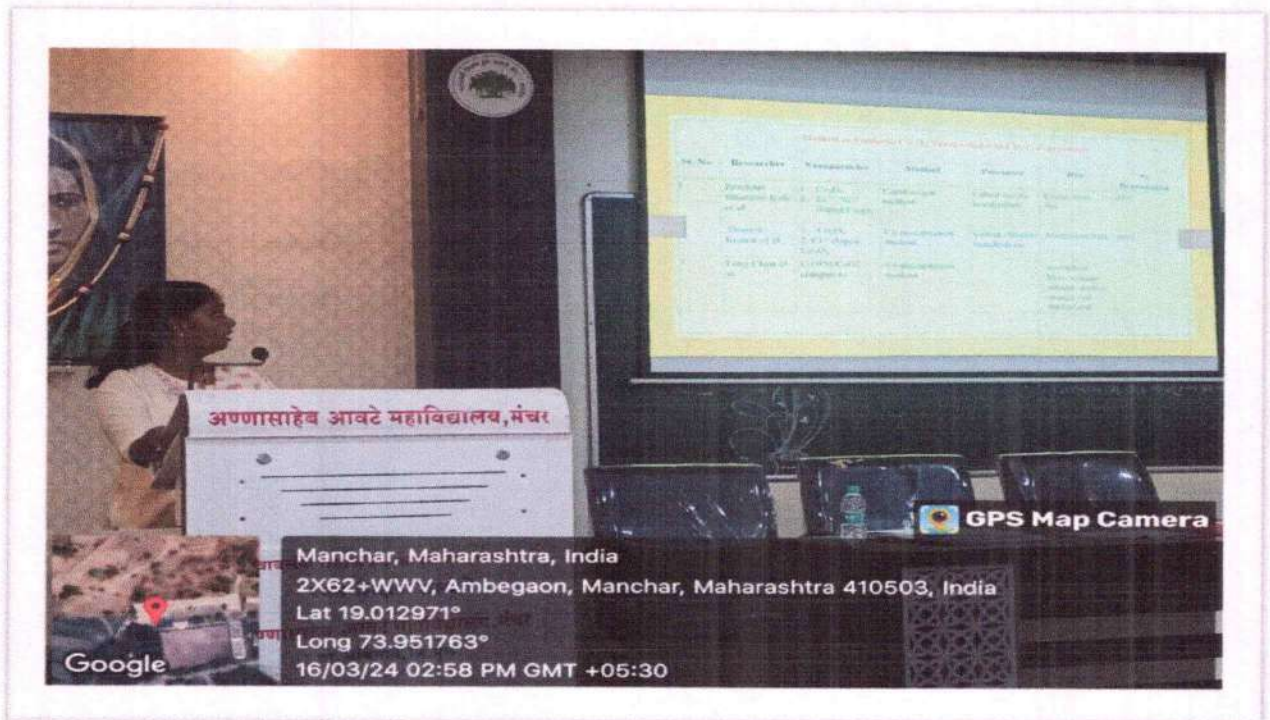

Dignitaries and Chief Guests at the Inauguration of ETST 2024 Conference ISBN Proceedings

Oral & Poster Presentations: Total 12 Researchers and scholars presented their original research findings through oral presentations. Topics covered a diverse range of emerging trends in chemical science and technology, including but not limited to green chemistry and sustainable processes, advances in catalysis and reaction engineering, nanomaterials and their applications, pharmaceutical chemistry and drug discovery, environmental monitoring and remediation, energy storage and conversion technologies, etc. The paper presentations sparked stimulating discussions and facilitated knowledge sharing among participants.

The guest speakers and faculties during inaugurating the poster presentation during the conference

Ms. Kavita Sonawane presenting her research during ETST 2024 conference in oral presentation session.

Poster sessions provided researchers with a platform to showcase their work visually and interactively. 15 participants presented their research projects, methodologies, and findings through posters, allowing for discussions and networking opportunities. Poster sessions encompassed a broad spectrum of topics, fostering collaboration and idea exchange among attendees.

Dr. A. K. Valvi proposing concluding remark of ETST-2024 conference

Valedictory Function: Dr. A. A. Kale, Convenors has introduced the Chief guest Prof. Dr. Atul Chaskar. Prof. Dr. Atul Chaskar has delivered the valedictory address. The oral/paper presentation certificates were distributed by the dignitaries to the participants. Vote of thanks for the inaugural session was given by Dr. A. K. Valvi, Coordinator of the conference.

Conclusion: The One Day National Conference on Emerging Trends in Chemical Science and Technology (ETST-2024) successfully brought together a diverse community of researchers, academicians, industry professionals and students. The event provided a dynamic platform for exploring and discussing cutting-edge developments and future directions in chemical science and technology. As participants return to their respective endeavors, it is anticipated that the insights gained and connections made during the conference will continue to inspire innovation and drive progress in the field.

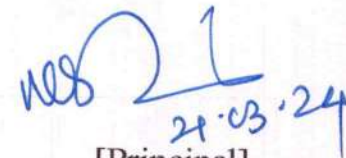

Beneficiaries: 22 Faculties and 62 students

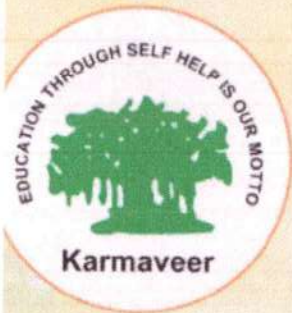

Acknowledgments: The organizers extend their sincere appreciation to all participants, keynote speakers, presenters and volunteers for their contributions to the success of the conference. Special thanks are also extended to Hon. Principal Dr. N. S. Gaikwad; Dr. A. A. Kale, Head & Convener; Dr. S. N. Bolbhat, Vice Principal (Science); Dr. V. D. Sadaphal, Vice Principal (Arts & Commerce) for their support and assistance in organizing the event.

INVITATION

It gives me immense pleasure to invite you to participate in one day National level Conference on “**Emerging Trends in Science and Technology (ETST-2024)**” to be held on 16th March 2024 at Rayat Shikshan Sanstha's Annasaheb Awate Arts, Commerce & Hutatma Babu Genu Science College, Manchar, Tal. Ambegaon, Dist.Pune-410503.

ABOUT OUR SANSTHA

Rayat Shikshan Sanstha, Satara is one of the largest and foremost educational institution in Asia established by late Padmabhushan Dr. Karmaveer Bhaurao Patil in 1919 with the motto 'Education through self-help'. It caters the educational needs of downtrodden and economically weaker section of the society. It is spread over 15 districts in Maharashtra and one in Karnataka. It has about 737 branches including 42 Colleges, 453 High Schools, 7 Training Colleges, 67 Primary, 54 Pre-Primary School and about 4,50,000 total students.

ABOUT OUR COLLEGE

The college was established as Arts, Commerce College in June 1966 and it became a full-fledged institution with the inception of Science streams in June 1983. It is affiliated to Savitribai Phule Pune University, Pune. The college has 105 acres area with agro forestry. Now it is a well flourished institution imparting higher education leading to Bachelor and Master Degrees in various streams. It is committed to the upliftment of poor and rural students. The college authorities take utmost care and make every possible effort to maintain the academic standard of rural students. It has well qualified staff, good location, spacious & well equipped laboratories, huge infrastructure, enriched library, well equipped Gymkhana, Girls hostel, Computer training centre, beautiful landscaping with Botanical garden & Poly-house. College runs 18 UG courses including Biotechnology, BBA (CA), and B.Voc. (Food Processing & Quality Management), B.Voc.(Accounting & Taxation) and 8 PG courses including Organic Chemistry, Analytical Chemistry, Physics, Botany, English, Economics, Marathi, Commerce. The department of Chemistry, Botany and Commerce has a recognized research centre of the Savitribai Phule Pune University. The college has received “Best College Award - 2018” and recipient of “First Prize - Pune Rural to Shivneri Magazine” by SPPU, Pune in 2011-12, 2014-15, 2015-16. The college was reaccredited 'A' Grade with CGPA 3.06 for 4th Cycle by NAAC. College is situated near the holy place Bhimashankar Jyotirlinga Shrine, Girijatmaj (Lenyadri), Vigneshwara (Ozar), Shivneri Fort (Birth place of Chatrapati Shivaji Raje) and Buddhist caves in Western Ghat.

ABOUT DEPARTMENT

The department of Chemistry is established in 1985 with UG course & has started PG course M.Sc. Organic in June 2011 and M.Sc. Analytical in 2020 and Ph. D. research centre in 2020. It has well equipped and spacious laboratory along with departmental library facility. Two short term courses are run by the department. All the teaching faculties are well qualified & actively involved in the research. Four faculties are recognized as research supervisor/guide of Savitribai Phule Pune University in Chemistry.

THEME OF THE CONFERENCE

The aim of the National Conference on “Emerging Trends in Science and Technology”, is to stimulate the quickening of the development taking place in all spectrums. The theme for this conference will be centered around “Dissecting all paradigms of contemporaneous research being carried out across Science and Technology. It is the premier event that brings together renowned experts, researchers, academicians and students. This conference covers different areas of Science and Technology as follows:

- Organic and Inorganic Chemistry
- Environmental Chemistry
- Green Chemistry and Renewable Resources
- Polymer Chemistry
- Analytical and Surface Chemistry
- Material Chemistry
- Biochemistry
- Physical Chemistry and Theoretical Chemistry
- Pharmaceutical Chemistry
- Nano Chemistry
- Solid State Chemistry
- Pure and Applied Chemistry
- Quantum Chemistry
- Marine and Geo Chemistry
- Electro Chemistry
- Photochemistry
- Natural Product and Biodiversity
- Industrial and Engineering Chemistry
- Biotechnology and Food Sciences
- Chemical Kinetics
- Applied Nanoscience and Nano Technology
- Computational Chemistry
- Forensic Chemistry

SUBMISSION OF ABSTRACT(S) and PAPER

Abstract(s) & Full length research papers are invited describing original research, innovative ideas, reviews, practical, case studies and applications on the topics listed above or on any other topic relevant to the theme of the Conference. We will provide an opportunity to researchers to present their research work in the form of oral and poster presentation. Oral presentation must be in the form of PPT, not exceeding 10 minutes. The posters should include the title of the paper, name of the authors and institute email ID. Posters must be in 1x1 meter size. Selected full length Papers will be reviewed by reviewing committee and will be published in the conference proceeding having ISBN number. Abstract should be in MS Word, font : Times New Roman, Title: 14 Author's Name: 10, Line Spacing: 1.15.

Abstracts (soft copy) to be submitted by email:

aacm.chemistry@gmail.com

The soft copy of the abstract/paper may be sent by e-mail on or before 10th March 2024. Publication charges for accepted papers will be intimated to your mail.

REGISTRATION FEE

College Students	: Rs. 200/-
Research Scholar/Teachers	: Rs. 300/-
Industry Delegates	: Rs. 500/-

Registration fee includes Breakfast & Certificate. The delegates should send registration form along with DD of any Nationalised Bank in favour of Principal, Annasaheb Awate Arts, Commerce & Hutatma Babu Genu Science College, Manchar, payable at Manchar. Spot registration will be available on the date of conference from 9:00 am. Accommodation will be made available with their own expenses.

For any queries or information: Contact Organizing Committee Members via email or call on their mobile number.

Subject: Invitation as a Resource Person

Dear Sir,

We are elated to announce that the Department of Chemistry, Rayat Shikshan Sanstha's Annasaheb Awate Arts, Commerce & Hutatma Babu Genu Science College, Manchar, is organising One Day National Conference on "**Emerging Trends in Science and Technology (ETST-2024)**" for the researchers, academicians and students of our college. The Programme is being organised on **16th March, 2024**. The primary objective of the national conference is to promote the exchange of innovative ideas, research findings and best practices among the researchers, academicians, students, etc. as well as to stimulate the quickening of the development taking place in all the spectrums.

Based upon your outstanding contribution in this field and as you are one of the renowned speakers, your deliberation and participation will surely benefit the participants. Subject: Invitation to Serve as Resource Person for IPR Seminar

Respected sir,

I hope this letter finds you well. On behalf of Annasaheb Awate College Manchar, I am writing to extend an invitation for you to serve as a resource person at an upcoming seminar on Intellectual Property Rights (IPR).

The seminar is scheduled to take place on **Friday, 09-02-2024 at 10.00 am**. The theme of the seminar is how to work for idea to patent. We believe that your expertise and experience in research and filling patent would greatly enrich our event and provide invaluable insights to our participants.

As a resource person, your responsibilities would include delivering a keynote speech/presentation on Intellectual Property Rights: A New Paradigm, participating in panel discussions, and engaging with the audience through sessions. Your contribution will play a key role in enhancing the overall quality and educational value of the seminar.

We are confident that your involvement will not only benefit the participants but also contribute to the advancement of knowledge in the field of Intellectual Property Rights. Your confirmation of participation at your earliest convenience would be greatly appreciated.

Thank you very much for considering our invitation. We eagerly anticipate your positive response and the opportunity to cooperate with you at our seminar.

Warm regards,

Subject: Appreciation Letter.....

Respected sir,

I am writing to express my sincere appreciation for your invaluable contribution as a resource person during seminar organised by Annasaheb Awate College Manchar on Intellectual Property Rights (IPR) on Saturday, 10/02/2024.

Your expertise, insight, and dedication significantly enriched the seminar, making it an informative and enriching experience for all participants, including myself. Your willingness to share your knowledge, experiences, and perspectives has left a lasting impact on all of us who had the privilege of attending.

Your engaging presentation, coupled with your ability to address complex topics with clarity and enthusiasm, truly captured the audience's attention and sparked stimulating discussions. Your willingness to answer questions and provide guidance demonstrated your commitment to supporting our learning and growth.

I am confident that the insights gained from your session will continue to inspire and inform our endeavours long after the seminar has concluded. Your contributions have undoubtedly left a positive and lasting impression on all of us, and for that, we are immensely grateful.

Once again, thank you for your invaluable contribution and dedication to Intellectual Property Rights (IPR). Your expertise and passion are truly commendable, and I feel privileged to have had the opportunity to learn from you. I look forward to the possibility of collaborating with you again in the future.

Overview

The seminar commenced with an outline to the implication of grant funding for research endeavours and highlighted the critical role that well-structured grant proposals play in securing financial support from government funding agencies.

Key Topics Discussed

1. Understanding the Requirements of Government Funding Agencies
2. Structuring a Grant Proposal
3. Writing Clear Objectives and Research Questions
4. Demonstrating Significance and Innovation
5. Budgeting and Justifying Costs
6. Review and Revision Process

Highlights and Insights

During the workshop, several key insights were shared by the speakers

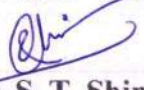

- **Understanding Agency Priorities:** It is crucial for applicants to thoroughly understand the priorities and focus areas of each funding agency to align their proposals effectively.
- **Clarity and Precision:** Clarity and precision in writing are paramount. Grant proposals should articulate research objectives, methodologies, and expected outcomes with utmost clarity.
- **Significance and Innovation:** Emphasizing the significance of the proposed research and demonstrating its innovation potential are essential for capturing the attention of funding agencies.
- **Budget Justification:** A well-structured budget with clear justification for each expense item enhances the credibility of the proposal.
- **Peer Review Process:** Understanding the peer review process and incorporating feedback from reviewers play a significant role in improving the quality of grant proposals.

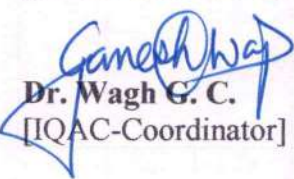

Conclusion:

In conclusion, the seminar on "Writing Effective Research Grant Proposals" served as a valuable platform for participants to gain knowledge and expertise in crafting compelling grant proposals for seeking funding from government agencies. The insights shared during the seminar will undoubtedly aid participants in their pursuit of research funding and contribute to the advancement of scientific and scholarly endeavors.

Subject: Invitation to Serve as Resource Person for the seminar on writing effective research grant proposals

Respected sir,

I hope this letter finds you well. On behalf of Annasaheb Awate College Manchar, I am writing to extend an invitation for you to serve as a resource person at an upcoming seminar on "Writing Effective Research Grant Proposals for Seeking Grants from Government Funding Agencies i.e. DST, DBT, ICSSR, SERB, AICTE, ICMR etc."

The seminar is scheduled to take place on **Saturday, 17-02-2024 at 10.30 am**. The theme of the seminar is how to Write Effective Research Grant Proposals for Seeking Grants from Government Funding Agencies i.e. DST, DBT, ICSSR, SERB, AICTE, ICMR etc. We believe that your expertise and experience in this field would greatly enrich our event and provide invaluable insights to our participants.

As a resource person, your responsibilities would include delivering a keynote speech/presentation on writing effective research grant proposals. Your contribution will play a key role in enhancing the overall quality of the seminar.

We are confident that your involvement will not only benefit the participants but also contribute to the advancement of knowledge in the field of research proposal writing for grants. Your confirmation of participation at your earliest convenience would be greatly appreciated.

Thank you very much for considering our invitation. We eagerly anticipate your positive response and the opportunity to cooperate with you at our seminar.

Warm regards,

Subject: Appreciation Letter.....

Respected sir,

I am writing to express my sincere appreciation for your invaluable contribution as a resource person during seminar organised by Annasaheb Awate College Manchar on the topic Writing Effective Research Grant Proposals on Saturday, 17/02/2024.

Your wide experience and deep understanding of the nuances involved in grant proposal writing make you an ideal resource person for our event. We are happy to say your expertise in the field of Writing Effective Research Grant Proposals provided our participants practical strategies, tips, and best practices in this field which significantly enhance their grant writing skills and increase their chances of securing funding for their research endeavours.

Your engaging presentation, coupled with your ability to address complex topics with clarity and enthusiasm, truly captured the audience's attention and sparked stimulating discussions. Your willingness to answer questions and provide guidance demonstrated your commitment to supporting our learning and growth.

I am confident that the insights gained from your session will continue to inspire and inform our endeavours long after the seminar has concluded. Your contributions have undoubtedly left a positive and lasting impression on all of us, and for that, we are immensely grateful.

Once again, thank you for your invaluable contribution and dedication in workshop cum training programme on Writing Effective Research Grant Proposals. Your expertise and passion are truly commendable, and I feel privileged to have had the opportunity to learn from you. I look forward to the possibility of collaborating with you again in the future.

Subject: Invitation to Serve as Resource Person for the seminar on writing effective research grant proposals

Respected sir,

I hope this letter finds you well. On behalf of Annasaheb Awate College Manchar, I am writing to extend an invitation for you to serve as a resource person at an upcoming seminar on "Writing Effective Research Grant Proposals for Seeking Grants from Government Funding Agencies i.e. DST, DBT, ICSSR, SERB, AICTE, ICMR etc."

The seminar is scheduled to take place on **Saturday, 17-02-2024 at 11.00 am**. The theme of the seminar is how to Write Effective Research Grant Proposals for Seeking Grants from Government Funding Agencies i.e. DST, DBT, ICSSR, SERB, AICTE, ICMR etc. We believe that your expertise and experience in this field would greatly enrich our event and provide invaluable insights to our participants.

As a resource person, your responsibilities would include delivering a keynote speech/presentation on writing effective research grant proposals. Your contribution will play a key role in enhancing the overall quality of the seminar.

We are confident that your involvement will not only benefit the participants but also contribute to the advancement of knowledge in the field of research proposal writing for grants. Your confirmation of participation at your earliest convenience would be greatly appreciated.

Thank you very much for considering our invitation. We eagerly anticipate your positive response and the opportunity to cooperate with you at our seminar.

Warm regards,

Subject: Appreciation Letter.....

Respected sir,

I am writing to express my sincere appreciation for your invaluable contribution as a resource person during seminar organised by Annasaheb Awate College Manchar on the topic Writing Effective Research Grant Proposals on Saturday, 17/02/2024.

Your wide experience and deep understanding of the nuances involved in grant proposal writing make you an ideal resource person for our event. We are happy to say your expertise in the field of Writing Effective Research Grant Proposals provided our participants practical strategies, tips, and best practices in this field which significantly enhance their grant writing skills and increase their chances of securing funding for their research endeavours.

Your engaging presentation, coupled with your ability to address complex topics with clarity and enthusiasm, truly captured the audience's attention and sparked stimulating discussions. Your willingness to answer questions and provide guidance demonstrated your commitment to supporting our learning and growth.

I am confident that the insights gained from your session will continue to inspire and inform our endeavours long after the seminar has concluded. Your contributions have undoubtedly left a positive and lasting impression on all of us, and for that, we are immensely grateful.

Once again, thank you for your invaluable contribution and dedication in workshop cum training programme on Writing Effective Research Grant Proposals. Your expertise and passion are truly commendable, and I feel privileged to have had the opportunity to learn from you. I look forward to the possibility of collaborating with you again in the future.

Opportunities in Science and Technology: A Seminar Report

Date and Venue

- Day: Friday
- Date: 30/06/2023
- Venue: Karmaveer Auditorium

Introduction: The seminar titled "Exploring Opportunities in Science and Technology" was organized to explore into the various prospects and advancements within the empire of science and technology. The seminar was Hosted by college Research Cell and Department of Chemistry, the event aimed to enlighten participants about the evolving landscape of opportunities in this dynamic field.

Participant Engagement and Networking:

Diversification in Career Paths:

The seminar lean-to light on the expanding range of career opportunities within science and technology, emphasizing the importance of interdisciplinary knowledge and skill sets. Speakers highlighted how individuals can influence their expertise in fields such as artificial intelligence, biotechnology, cybersecurity, and renewable energy to pursue diverse career paths.

Innovation and Entrepreneurship:

The seminar underscored the significance of innovation and entrepreneurship in driving technological progress and addressing societal challenges. Case studies and success stories were shared by Dr. Ashok Joshi to inspire participants to embark on entrepreneurial ventures and contribute to technological innovation.

Collaboration and Networking:

Participants were encouraged to foster collaborations and networks within the scientific and technological community of C-MET, Pune to exchange ideas, resources, and expertise. The seminar provided a platform for attendees to engage in meaningful discussions, share experiences, and establish valuable connections with industry professionals and experts.

Emerging Trends and Technologies:

Speakers provided insights into emerging trends and technologies shaping the future of science and technology, nanoscience, catalysis, organic transformations, battery cell, supercapacitor, including quantum computing, genomics, augmented reality, and sustainable development.

Discussions centered on the transformative potential of these technologies and the opportunities they present for research, innovation, and societal impact.

Hon'ble **Dr. Sudhir Arbuj**, Scientist C, C-MET Pune, Key note speaker of seminar given talk on opportunities for students in electronics technology research.

Dr. B. B. Shingate, BAMU Aurangabad delivered online talk as a keynote speaker how to work for Nobel price and explain the click chemistry research and their output as a Nobel price in chemistry of 2022 to K. B. Sharpless Scientist.

Dr. S. T. Shinde, Coordinator Research Cell, expressing vote thanks in one day seminar.

Engagement of Participants of Seminar

- **Beneficiaries:** 14 Faculties and 36 students

Conclusion: The seminar on "Exploring Opportunities in Science and Technology" served as a catalyst for dialogue and exploration of the vast opportunities and advancements within the field. By fostering collaboration, innovation, and networking, the event aimed to empower participants to seize opportunities, pursue their passions, and contribute to the advancement of science and technology.

The seminar concluded with a call to action for participants to continue their pursuit of knowledge, embrace emerging technologies, and leverage their skills to address pressing global challenges and shape a better future through science and technology.

Acknowledgments:

We extend our sincere appreciation to all the speakers, participants, sponsors, and organizers whose contributions and support made the seminar a grand success.

About the Conference

The conference "Exploring Innovations in Life Sciences" gathers leading experts, researchers, and professionals from the life sciences sector. The conference aims to foster collaboration and exchange of ideas to drive innovation in the field. The conference covers various topics, including biotechnology, pharmaceuticals, healthcare, and more. Attendees have the opportunity to learn about the latest advancements in life sciences, network with industry peers, and participate in hands-on workshops and presentations. The conference also features keynote speakers who are renowned experts in their fields. These speakers share their insights and experiences, providing valuable perspectives on the future of life sciences. Overall, the conference is a valuable platform for individuals & organizations in the life sciences sector to stay updated on the latest trends and innovations, collaborate with peers, and drive positive change in the industry.

Invitation

Dear Fellow Scientists, Scholars, Faculties, Entrepreneurs and Students,
We are delighted to extend an invitation to you for the **One Day International Conference on "Exploring Innovations in Life-sciences"** scheduled for **Saturday, 23rd March 2024**. The conference will be held in a Hybrid mode, incorporating both virtual and in-person participation. It will be held at Rayat Shikshan Sanstha's, Annasaheb Awate Arts, Commerce & Hutatma Babu Genu Science College, Manchar, Pune, Maharashtra, India.-410 503.

Your participation would be a valuable addition to the event. Please let us know if you are able to attend, and we will provide further details regarding registration and other important information. Thank you, and we look forward to your presence at the conference.

CONFERENCE REPORT

Title : Exploring Innovations in Life Sciences (ExILS-2024)
Organizers : Department of Zoology and Botany
Date : 23rd March 2024, Saturday
Venue : Karmaveer Auditorium, Ground floor, Annasaheb Awate Arts, Commerce & Hutatma Babu Genu Science College, Manchar

INTRODUCTION:

The Department of Zoology organised the One Day Hybrid International Conference on Exploring Innovations in Life Sciences (ExILS-2024), which was held on March 23, 2024 at Rayat Shikshan Sanstha's Annasaheb Awate Arts, Commerce & Hutatma Babu Genu Science College, Manchar. Students, academics, researchers, and industry experts gathered at the conference to examine and deliberate on the most recent developments, innovations, and prospective paths in the realm of chemical science and technology. The conference featured one keynote address, four plenary sessions, and sixty-three oral and poster presentations. The conference was attended by an estimated 311 students and delegates, who were registered and represented various disciplines of biological sciences from over 20 colleges.

KEY OBJECTIVES:

1. To emphasise and deliberate on advancements in the field of biological sciences and technology.
2. To promote interdisciplinary cooperation and the exchange of knowledge among professionals and researchers.
3. To exhibit cutting-edge technological advancements and research that tackle present-day issues.
4. Inspire and motivate individuals to make contributions towards the progression of life sciences.

CONFERENCE PROGRAM:

Keynote addresses, panel discussions, oral and paper presentations comprised the conference agenda. Keynote addresses were delivered by esteemed specialists and academicians, who provided insights into current research, developments, and future potential in diverse subdisciplines of chemical science and technology.

Details of the esteemed experts are as follows:

Sl. No.	Name of Resource Person	Title of the Talk
1.	Dr. Sakharam B. Patil Ph.D., Principal, Dadasaheb Jotiram College of Arts, Commerce & Science, Vaduj, Satara	Exploring Innovations in Life Sciences
2.	Dr. Gunvant. B. Patil Ph.D., Assistant Professor, Institute of Genomics for Crop Abiotic Stress Tolerance (IGCAST), Texas Tech University, Texas	Sustainable technologies to improve nutrient uptake in crops through single cell and gene editing tools
3.	Dr. Balasaheb V. Sonawane Ph.D., Post Doctoral Researcher, University of Illinois, Urbana-Champaign, IL	Exploring and utilizing plant ecophysiological traits in improving crop productivity and water use efficiency
4.	Dr. Bhalchandra B. Waykar Ph.D., Professor, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad	Agricultural Sustainability through Beekeeping
5.	Ms. Geetanjali Gone Ph.D. Scholar, Chemical Biology Lab, Department of Biopharmaceutical Convergence, Sungkyunkwan University, South Korea	Exploring the anti-diabetic potential of Quercetagitritin through Dual inhibition of PTPN6 and PTPN9
6.	Dr. Ramgopal Devdas Ph.D. Scholar, Indian Council of Agricultural Research RC NEHR, Sikkim Centre, Tadong, Sikkim	Plant Variety Protection in Crops and Orchids (Indian Perspectives)

The keynote address and plenary sessions facilitated comprehensive dialogues on subjects including the application of molecular techniques to safeguard orchid varieties, the utilization of sustainable technologies to enhance crop quality, gene editing tools, and beekeeping. Additionally, the conference explored the potential of natural resources to combat diabetes.

Inaugural Function: The session began with the floral tribute to the idols of Padmabhushan Dr. Karmaveer Bhaurao Patil and Sou. Laxmibai Bhaurao Patil. Mr. V. S. Kumawat, Associate Professor, Dept. of Botany, briefed on the conference and introduced the guests to the participants. This was followed by the felicitation and welcoming of the guests. The Abstract Book Proceedings with E-ISBN 978-81-962293-3-7 and P-ISBN 978-81-962293-2-0 have been published by the dignitaries. Prof. Dr. Sakharam B. Patil has inaugurated the ceremony and has delivered the key note address. Prin. Dr. N. S. Gaikwad delivered presidential speech. Vote of thanks for the inaugural session was proposed by Ms. H. J. Gavit.

Oral & Poster Presentations: A total of 63 academicians and researchers delivered oral presentations on their original research findings. Emerging trends in the life sciences and technology were discussed at length, including but not limited to nanotechnology, biodiversity, and innovative concepts.

Networking Opportunities:

The conference brunch, networking sessions, and breaks afforded attendees the chance to interact with and network with peers, colleagues, and industry experts. Collaboration discussions, the exchange of ideas, and the formation of professional connections across sectors and institutions were all facilitated by informal conversations.

Valedictory Function: Dr. S. N. Bolbhat, Convenor, extended a warm welcome to the chief guest and Mr. S. T. Pokale has introduced the Chief guest Prof. Dr. R. D. Chaudhary, BOS Chairman, Zoology, SPPU, Pune. Dr. R. D. Chaudhary gave valedictory address. The winners of the oral/paper presentation were declared and certificates were distributed by the dignitaries to the participants. Vote of thanks for the inaugural session was given by Dr. S. S. Patil, Coordinator of the conference.

Conclusion: ExILS-2024, the One Day Hybrid International Conference on Exploring Innovations in Life Sciences, effectively convened a heterogeneous assemblage comprising students, scholars, researchers, and industry experts. The occasion furnished a vibrant setting for the examination and discourse of state-of-the-art advancements and prospective trajectories in the realms of life sciences and technology. As attendees disperse to their individual pursuits, it is expected that the knowledge acquired and relationships forged throughout the conference will persistently stimulate originality and advance advancements in the discipline.

Acknowledgments: The conference organisers would like to express their profound gratitude to all attendees, keynote speakers, presenters, and volunteers for their invaluable assistance in ensuring the conference's success. For their support and assistance in organising the event, we would also like to thank the Hon. Principal, Dr. N. S. Gaikwad, the Head and Convener, Dr. S. N. Bolbhat, Vice Principal (Science), and Mr. S. T. Pokale, HoD, Zoology. The program was hosted by Ms. H. J. Gavit.
