In our college, since 1998, with the guidance and support of Pune University, the Dr. Karmaveer Bhaurao Patil Earn and Learn Scheme has been implemented through the Student Development Board. For this scheme, a grant is provided by Savitribai Phule Pune University in the percentage of 90:10 (90% from the university and 10% from colleges and recognized institutions). According to the principle of Dr. Karmaveer Bhaurao Patil, 'Self-reliant education is our breath', students who are poor, needy, intelligent and promising among the students studying in our college are given admission in this scheme.

In the current academic year 2023-24 our Earn and Learn Scheme has been implemented. There were 68 students selected through the executive committee of the college. Out of these, there were 8 boys and 60 girls students enrolled. These students were given work in various departments such as the University Department, Office, Scholarship Department, Cash Department, Library, Agriculture department, etc.
