Student's Feedback Report - 2022-23

College has been established feedback committee, which takes the feedback from the stake holders, employee, parents and peers from time to time for the overall development of college. In the academic year 2022-2023 the feedback from students about the evaluation of college was taken by using 4 point scale. The students of college upload their feedback on the college website. Students noted some suggestions about the overall development of college. These are - need more qualified teachers, need more guest lecturers, need good reference books, need to start M.Sc. Zoology, need to improve lab facilities, need to have more MoU with industries, maintenance of computers, need of placement drives, need of transportation from S.T. bus stand to college. The students are satisfactorily agreed with the university syllabus since the present syllabus included is having current and applied contents. Almost all the teaching faculty delivered their regular lectures with full preparation and also teachers are able to communicate with students with obediently and effectively. They took very sincere effort for conducting their continuous internal evaluation process which includes Units tests, Tutorials, Home assignment, Midterm examination, Seminar, Group Discussion, and Open Book Test in addition to the regular University examination for each class as per schedule assigned to individual teacher. The institute has been taken active interest in promoting internship, training programs, field project for the B.Voc courses, The industrial trips, field visit, Institutional visits are regularly organized for each department to offer learning interests and job opportunities for students. The college established the Mentor - Mentee scheme as institutional best practices for the student's academic, social and emotional growth. The students are guided rightly on their overall performance and difficulties. Teachers built up the expected competencies, course outcomes and programme outcomes among the students. The teacher do the SWOT analysis of the students and guide them as per their needs. Teachers are able to identify the strengths and weakness of students and encourage and guide respectively and prepare them by providing right level of challenges.

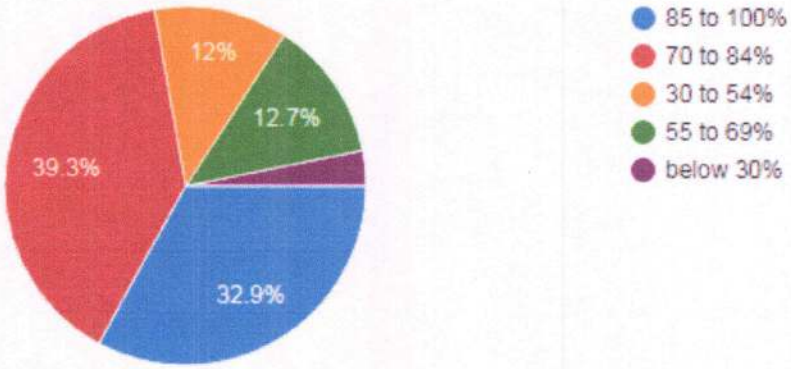

The college has different committees for the effective working in Academic, Curricular, Extracurricular and Extension activity. Each committee attracts the students towards extracurricular activities and take care to engage students in participating various activities of the college. A few students have been suggested to strengthen and inculcate soft skills, life skills and employability skills among the students. The college has been started add-on courses and various certificate courses like Talley, Mobile repairing, accounting, sericulture etc. to ensure the skill and employability among students. Most of teachers are

using ICT tools such as LCD projector, Multimedia, etc. in their regular teaching for continuous up gradation of quality of the teaching learning process. The overall Students satisfaction survey rating about quality of teaching-learning process of the institute was found to be good.

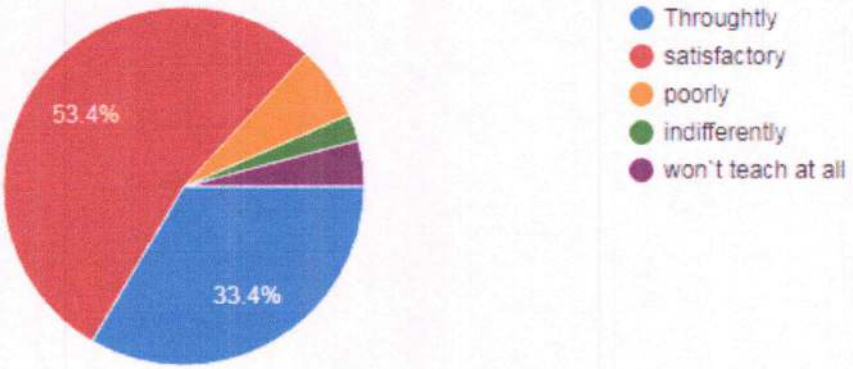

Feedback was prepared with the help of questionnaires. Total 410 feedback forms were collected from students in academic year 2022-23. Response expected from the students on college is as follows:

Following are question for online student Satisfaction survey regarding teaching learning process

1) How much of the syllabus was covered in the class?

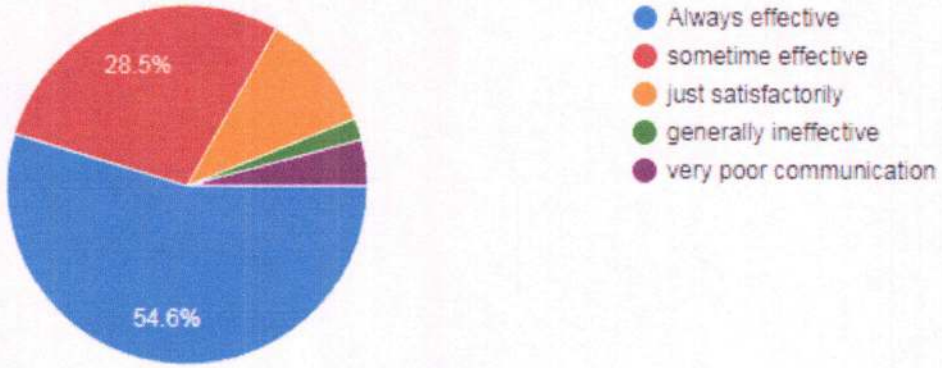

2) How well did the teacher prepare for the classes?

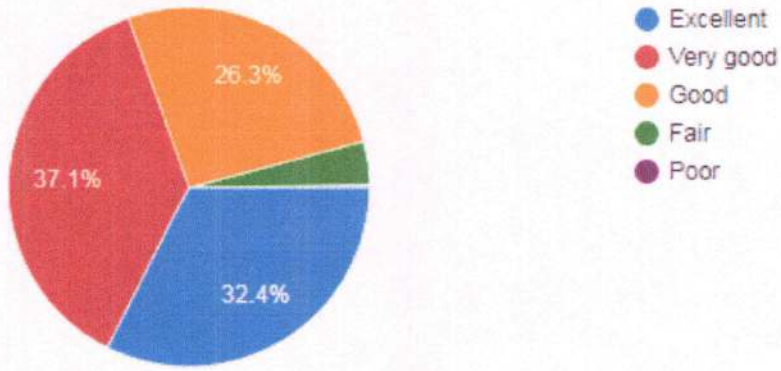

ANNASAHEB AWATE COLLEGE MANCHAR

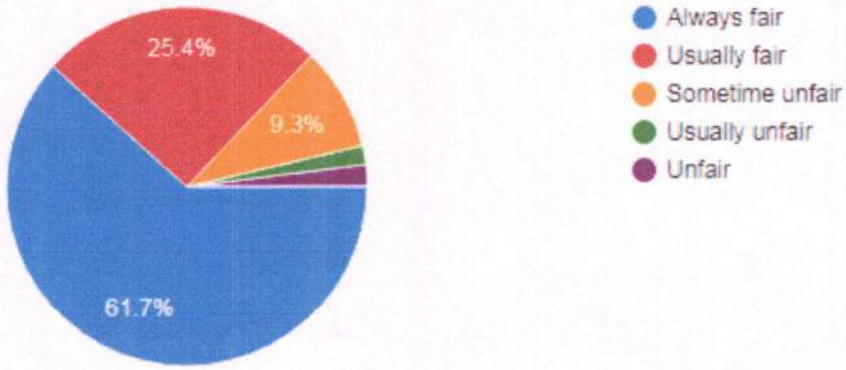

3) How well were the teachers able to communicate?

Action Taken Report - 2022-23

The students of college uploaded their feedback on the college website. The feedback from students about the evaluation of college was also taken. These responses were analyzed and the analysis report was submitted to IQAC cell of the college. The suggestions about the overall development of college was given by students. In this regard the meeting of feedback committee was carried out along with IQAC cell chairman and the Principal of the college. Following actions were taken on the suggestions given by students.

Sr. No.	Suggestions given by students	Action taken by the institute
1	College should cooperate with companies so that students will get experience of industries and market	Institute will take the initiative to have MOU with companies for the on job training, industrial visit & to have interaction with industry persons
2	Arrange the Sports competition	The college already organizes different types of programs which boost the overall personality of student. College also takes efforts in organizing different types of sports competitions, cultural competitions.
3	Organization of placement drives	The college runs soft skill development program which improves the skills of students. Placement cell committee is instructed about the placement drive.

These improvements on the suggestions given by students are implemented in the academic year 2023-24.
