Anti-ragging Committee

Annual Report: 2023-24

To ensure a safe learning environment, the college has taken the initiative to establish an anti-ragging cell. In current academic year to ensure a safe academic atmosphere, all students and their parents must complete an Anti-Ragging Affidavit during the college admission process. As per the guidelines of UGC, posters should be put up in college premises to create awareness about ragging. In this academic year, a self-defense training workshop was organized in association with the student forum and gymkhana department in which 82 girl students of the college participated. The committee member's supervision has integral to maintaining a well-organized and efficient educational environment.
