Annasaheb Awate College, Manchar

Rayat Shikshan Sanstha's

Annasaheb Awate Arts, Commerce & Hutatma Babu Genu Science College, Manchar, Tal. Ambegaon, Dist. Pune - 410503

Rayat Shikshan Sanstha

The Rayat Shikshan Sanstha is a renowned and the largest educational institution in the Asian continent. Its founder, Karmaveer Bhaurao Patil, witnessed the plight of impoverished farmersandvillagerswhoweredeprivedofeducationandknowledgeforgenerations.Tobring about a change in this situation, Mahatma Phule's teaching of education is the only path to transformation deeply resonated with him. Accordingly, he decided to take the initiative of providing education to students in rural areas, which was only available in a few cities in Maharashtra.

To spread the light of knowledge to every household, the Karmaveer Bhaurao Patil was inspired by the teachings of Mahatma Phule and Rajarshi Chhatrapati Shahu Maharaja. On 4th October 1919, he began a boarding school in Kale village in the Satara district, marking the beginning of the Rayat Shikshan Sanstha's journey.

They brought together children of all castes and religions in society and imparted education to them to promote self-reliance and social awareness. The principles of education were based on equal opportunity, equality, brotherhood ,humanity, self-reliance, and social awareness. Various branches of the institution were established based on these principles by Karmveer Bhaurao Patil, primarily in rural and tribal areas so education became easily accessible to all common people.

Through this tireless effort, the Rayat Shikshan Sanstha has transformed into a large organization with its roots firmly planted in the education sector. In 1994, the organization celebrated its Golden Jubilee, and now it is continuing its journey towards the Centenary celebrations. Today, the organization has expanded its reachto15districts of Maharashtra and runs over 670 branches, including 40 colleges, more than 400 high schools, junior colleges, and residential hostels. The Rayat Shikshan Sanstha continues to provide the gift of education to the people of Maharashtra.

About College:

Rayat Shikshan Sanstha's, Annasaheb Awate Arts, Commerce and Hutatma Babu Genu Science College is one of the leading colleges in Savitribai Phule University, Pune that provides quality education in arts, commerce and science faculty. The college offers 17 undergraduatecoursesincludingtwovocationalcourses,and9postgraduatecoursesincluding Analytical Chemistry, Organic Chemistry, Botany, and Physics. The college also has a recognized research centre for Botany, Chemistry, Commerce and Economics. The memorial contributions of honorable Annasaheb Awate have been brought into reality and his dream has come true in the form of an educational institution established in 1966. The college is reaccredited by NAAC with an "A" grade. The college's notable features include education, art, sports, culture, student-parent interactions, job placement cells, and mentor-mentees, which bring students and parents together.

Facilities in College

Library:

In the contemporary era of the 21st century, Annasaheb Awate College takes immense pride in its well-stocked and meticulously maintained library. As new courses emerge and the continuous evolution of knowledge across various disciplines becomes indispensable for academic excellence, the library assumes paramount importance in equipping students with the requisite skills and comprehensive understanding.

The library is furnished with a comprehensive collection of reference books, textbooks, periodicals, magazines, and newspapers, catering to a diverse range of subjects. Furthermore, it houses an extensive repository of knowledge, ensuring that students have access to the most up-to-date and relevant information. This valuable resource plays a crucial role in preparing students to thrive in the highly competitive global landscape.

Distinctive Features of our Library:

1. Library Services through computers
2. Book bank facility
3. Library orientation programs for new students
4. Separate study areas for male and female students
5. Special books and reference material for students preparing for competitive exams.
6. Open access system for postgraduate students
7. OPAC available in the library

Competitive Exam Guidance Center:

To address the growing demand for competitive examination preparation among students,the Institute established the Competitive Exam Guidance Center. Initially, the center exclusively admitted college bonafide students; however,it later expanded its services to cater to a broader student population.

Under the guidance of the center, students have been preparing for various competitive examinations, such as those about Police constable, PSI,STI,IBPS,MPSC,UPSC,and others. This initiative has significantly contributed to the professional development and career advancement of numerous students. The college library has relevant books available for the current competitive exams, and students can take advantage of them. In addition, the *'Karmaveer Vidya Prabodhini '*conducts junior and senior college-level competitive exams,

which can serve as a good practice for the MPSC and UPSC exams. Efforts are made to ensure that students get the most benefit from these exams.

Department of Sports:

Physical and mental fitness is the main objective of physical education. Sports and Physical Education are an integral part of the total education system and the present National Education policy emphasizes the promotion and development of sports and Physical Education. The main function of this department is to promote sports by organizing sports activities at the Inter-Collegiate/ Inter-Zonal/Inter-University level.

Our college students participate in Inter-collegiate sports regularly. To promote sports and health awareness among the students, College teams participate in almost all sports events. Students of this college have been selected to participate in the Pune University team, Maharashtra State and Indian team at Asian and International tournaments.

Medical check-up and consultation centre for students:

Annually, the university implements a comprehensive health initiative for first-year students enrolled in courses like B.A.,B.Com.,B.Sc.,and B.C.A. This mandatory medical check-up ensures the well-being of these students and addresses any potential health concerns at the onset of their academic journey.

In addition to this annual program, the college offers medical check-ups and consultation services tailored to the individual needs of students throughout the academic year. To address health-related complaints that may arise on campus, the institution has established a system for providing free first aid services, thereby ensuring the well-being and safety of its students.

National Service Scheme and N.C.C.:

To promote the all-round development of the personality of the youth and to build their social awareness, our college is actively involved in the National Service Scheme. Every year, the department conducts a seven-day labour camp. Students who complete two years of participation in the National Service Scheme and one labour camp are awarded10 bonus points in their university exams. The college also has a National Cadet Corps (N.C.C.) unit that provides students with leadership, discipline, and physical fitness opportunities.

Karmaveer Bhaurao Patil ‘Earn and learn’ scheme:

In an endeavor to all eviate the financial burdens faced by underprivileged students and ensure they receive a quality education, Karmveer Bhaurao initiated the"Earn and Learn" program under the Rayat Shikshan Sanstha. This innovative initiative aims to provide students with an opportunity to generate income while pursuing their academic goals. The program has been successfully implemented in numerous educational institutions, including our esteemed college.

Eligible and deserving students are selected for the "Earn and Learn" program, wherein they contribute to the college's operations through various tasks. In return, they receive a suitable remuneration that can be utilized for their continued higher education. To further enhance the program's accessibility and support, financial assistance is extended by the affiliated university. As a result, numerous students have benefited from this program, enabling them to overcome financial constraints and focus on their academic pursuits.

Internal Complaints Committee (ICC):

The college has an independent Internal Complaints Committee(ICC)to address any complaints of threats, harassment, use of abusive language, mental distress, ragging, violation of discipline, and other related issues by students or female students within the premises of the college. Any student who has experienced such incidents should contact the committee and submit a written complaint. The committee takes appropriate measures to address the complaints and provide assistance to the affected students. Students can also seek help from the following helpline number in case of any such incidents and contact the chairperson and members of the committee for further assistance.

Helpline:
Control Room–1000,Women's Helpline–1091

Former Student Organization(Alumni):

The vitality and potential of our student community are indispensable for addressing forthcoming challenges and fostering growth. To harness the collective strength and expertise of our accomplished alumni, the Former Student Organization plays a pivotal role in bridging the gap between current students and their esteemed predecessors. Their valuable insights, ideas, and cooperation are instrumental in the implementation of innovative plans and initiatives.

a dynamic and forward-thinking academic community that is well-equipped to tackle the complexities of the future.

*“Shivneri"*Annual Magazine:

"Shivneri,"the annual magazine of our esteemed institution, serves as a platform to exhibit the artistic and literary prowess of its student community. Meticulously published each year, this magazine showcases the diverse talents and creativity of its contributors. In parallel, the "Shivneri" magazine is published annually with immense enthusiasm, highlighting the academic, cultural, and sports accomplishments of the college throughout the year.

Through these periodic endeavours, we strive to foster a sense of pride and camaraderie among our students while celebrating their achievements. Our consistent efforts have garnered widespread recognition and appreciation, resulting in the receipt of numerous accolades and prizes for decoration, editing, and writing.

Other initiatives:

Various programs are always organized in the college to develop the intellectual, literary,cultural,andartisticqualitiesofthestudents,andtoenrichtheirpersonalities.Various committeeslikeTheCulturalCommittee,PlanningCommittee,CommerceCommitteeScience Committee, etc., along with various competitions such as essay writing, storytelling, poetry recitation, acting, public speaking, singing, sports competitions, youth inspiration, etc. are regularly conducted. Special training programs are also organized under the Cultural Department. Many opportunities are available for students who can enroll in this college to develop their personalities.

Internet facilities:

In the contemporary era of information technology, our institution has taken proactive measures to ensure that relevant information is readily accessible to students. To achieve this goal, internet facilities have been meticulously installed in the college library and across various departments. These resources are made available to students and departments according to their specific requirements, thereby facilitating seamless access to crucial information.

Complain Box:

To address student concerns and ensure their well-being, our institution has established complaint boxes in strategic locations, such as the library and within each wing. These boxes serve as a platform for students to voice their grievances and suggestions. Upon review by the designated authorities, the complaints are addressed in a timely and appropriate manner.

Short-term courses:

To enhance the overall educational experience and skill development of our students, our institution offers a diverse range of short-term courses spanning three years. These courses are meticulously designed to impart essential skills in various domains, catering to both self-employment and employment opportunities. We encourage students to collaborate with their

respective department heads to explore and secure admission to these courses, ensuring they align with their preferred or related subjects. This initiative fosters holistic growth and equips students with the necessary skills to excel in their chosen career paths.

Placement Cell:

With the growth of industrial and information technology sectors in the Pune area, there is now an increasing demand for skilled human resources from various companies. In this regard, the college has already signed agreements with several companies/organizations. As per the agreement, representatives from the companies visit the campus and conduct interviews of the final year students, selecting suitable candidates, especially for the last year students.

Information regarding college uniforms:

Every student enrolled in the arts, commerce, and science branches of the college must wear the college uniform. The color of the uniform is different for each branch. Detailed information about the uniform will be posted on the notice board of the college.

Identity Card:

It is necessary for every student who has enrolled in this college to have an identification card. Without the ID card, they will not be able to use the library or other facilities. To obtain an ID card, the student must pay the required fee at the library, and they will receive their ID card after payment. Upon receiving the ID card, the student must affix a passport-sized photograph to the card and fill in the necessary information and signatures. Previous year students should renew their ID cards within the given time frame. The ID card must be worn at all times while on the college premises. Failure to do so may result in disciplinary action.

Anti-Ragging:

After the Supreme Court directed to put an end to ragging,the University Grants Commission (UGC) has formulated regulations to prevent ragging. Every student and parent must sign a pledge stating that they will not engage in ragging. If any student is found involved in ragging, they will be penalized, including being expelled from all academic benefits for the entire academic year, withholding of scholarships, fellowships, or any other similar benefits,

debarring from appearing in any test/examination, with holding of results, suspension or expulsion from hostel or mess, rustication from the institution, and imposing a fine of Rs. 25,000 to Rs. 1 lakh. The Anti-Ragging Committee is working actively in universities.

Tip: Admission to the university is only possible if a pledge on a Rs. 10 Bond stating that the student will not engage in ragging is signed, and if not signed, they will not be admitted.

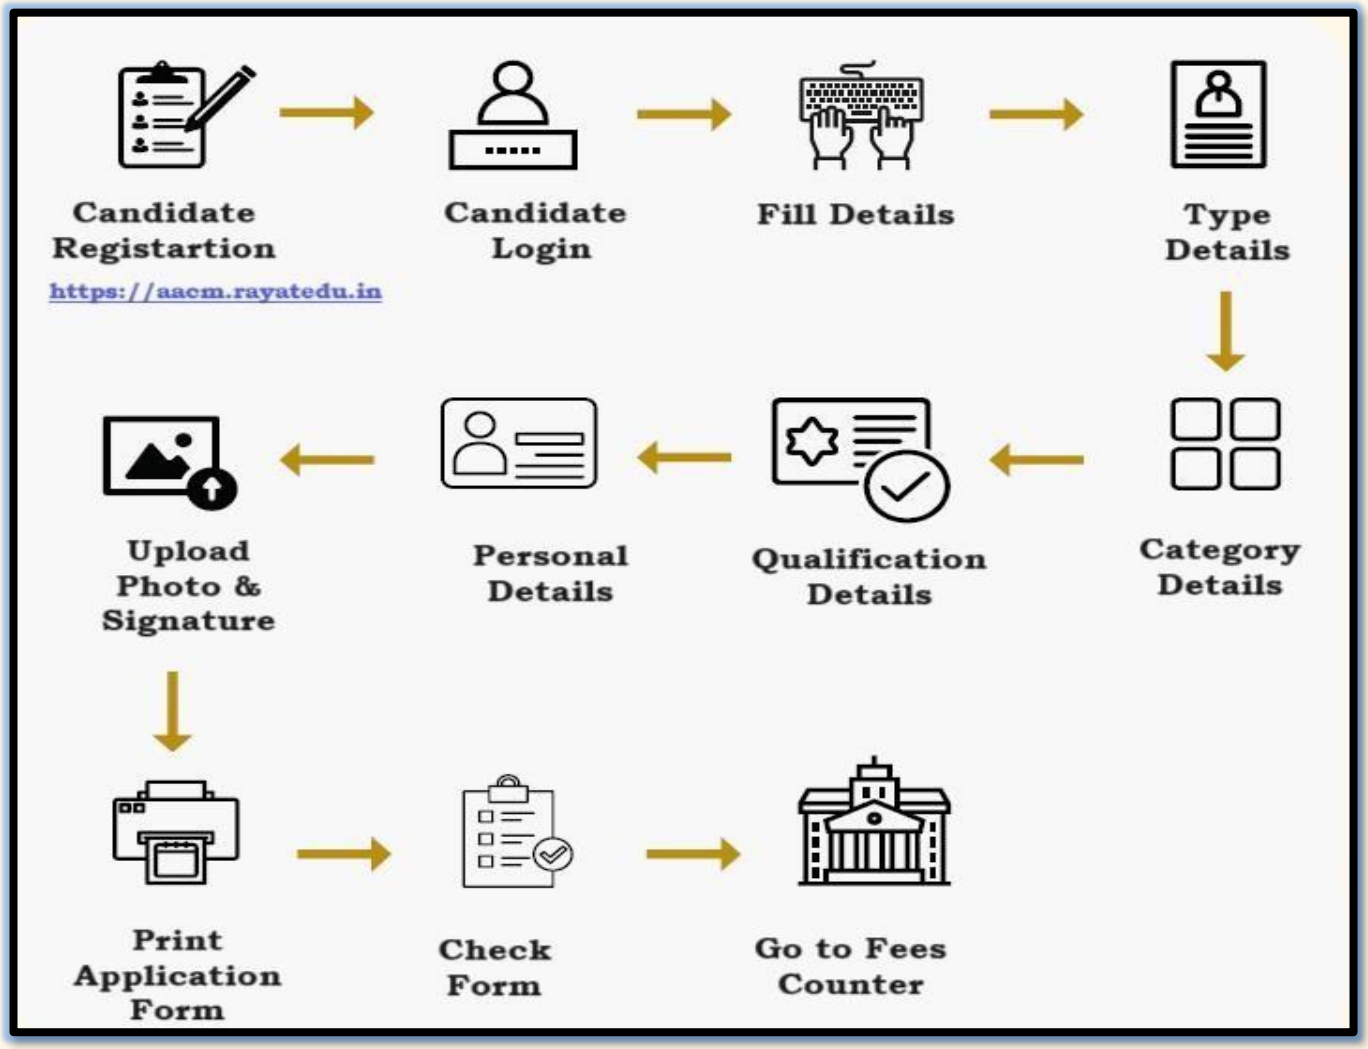

Mobile phones:

Students are prohibited from carrying mobile phones to the classroom. It is a punishable offence under the law to carry mobile phones to class.

T.C./L.C./Bonafide:

To apply for a T.C. (Transfer Certificate), admission, or any other official work in Senior College or Junior College, students should submit a prescribed application along with required documents and photocopies and pay the necessary fees between10:30am to 1:30pm. After completing the T.C. / admission application process and submitting the necessary fees, it will be provided to the students.
