Hybrid (Online/Onsite mode) International Conference on
" Integrative Nanotechnology Perspectives for
Multidisciplinary Applications 2022 (INPMA-2022)"
held on
January 16-18, 2022

About the Parent Institution

Rayat Shikshan Sanstha was established by the great social reformer Padmabhushan Dr. Karmaveer Bhaurao Patil in 1919 with the motto- Education for masses is principle instrument and the tool for eradication of all-pervasive social evils and desirable effective social change. The vision of the institute- "Education through self-help is a significant and chief drive of social change to achieve different tasks of nation building by establishing social equality and social justice". At present the institution is working with the network of 772 branches spreading over 15 Districts of Maharashtra & 1 District of Karnataka including colleges, ITI's, High Schools, Primary Schools, Pre-primary Schools, Hostels, Ashramshalas & others. The Sanstha operates through 8 administrative offices and has a strong workforce to cater the educational needs of 4.6 lakhs students.

Organizing Institute

Annasaheb Awate Arts, Commerce and Hutatma Babu Genu Science College, Manchar was established in 1966 & is run by the Rayat Shikshan Sanstha, Satara. The college is one of the leading colleges in Savitribai Phule Pune University, Pune that provides a quality education in Arts, Commerce and Science faculty. College offers 17 UG courses and 9 PG courses including Marathi, English, Economics, Commerce, Analytical Chemistry, Organic Chemistry, Botany and Physics. College is also having recognized research centre for Botany, Chemistry and Economics along with these our college has professional courses like Biotechnology, B.Voc. and BBA(CA). College is accredited by NAAC for the 3rd cycle in "A" grade with CGPA 3.09.

Nearby Destinations

- **'Bhimashankar'**, one of the twelve Jotirlingas, situated 60 km away from Manchar. It is famous for Giant Squirrel and evergreen rich flora.
- **'Shiveneri Fort'** - Birth place of Chattrapati Shivaji Maharaj is 35 km away from Manchar.
  On the way of Junnar, **Ozar** (23 km) and **Lenyadri** (35 km) are among the Ashtavinayaka temples.
- **GMRT, Khodad**, world famous radio telescope is 20 km away from our college.
- **Buddhist caves** in Western Ghat region(27 km).
- **Western Ghat region** (60km) is declared as heritage by UNESCO.

Themes of the Conference :

- Nanotechnology: An Elixir to Life
- Nanomaterials in Sensors
- Nanomaterials in Diagnostics and Therapy
- Nanobiosciences
- Novel Applications of Nanotechnology
- Nanotechnology in Catalysis
- Nanomaterial Synthesis and Characterization

Registration Details :

Registration Fee:
Student participants for oral/poster presentation: Rs. 500/-
Faculty & Research Scholars for oral/poster presentation: Rs. 1000/-
Foreign delegates: $ 50/-
Accepted Full length paper: Rs. 3000/-
Registration Fee is waived off for only virtual attendance.
For Registration : https://forms.gle/pKu2x2EAVjT8aKEz6

Bank Details

Registration fee can be deposited through NEFT/ RTGS/ IPS to
Principal, Annasaheb Awate College, Manchar, Tal.- Ambegaon, Dist.- Pune (M.S.), India
Account No.: **60357495658** Bank Name: **Bank of Maharashtra**
IFSC code: **MAHB0000112**

"Integrative Nanotechnology Perspectives for Multidisciplinary Applications"
January 16th – January 18th 2022

Report

On the College-Science stream has been organized the onsite Hybrid International Conference on "Integrative Nanotechnology Perspectives for Multidisciplinary Applications" January 16th – January 18th, 2022. On 16th January public lectures has been arranged for society first public lecture of **Prof. R. S. Mali** (Former Vice Chancellor, Kaviyatri Bahinabai Chaudhari North Maharashtra University, Jalgaon Emeritus professor, Savitribai Phule Pune University, Pune) on the topic Reforms in Higher Education Through New Education Policy 2020 and second public lecture of speaker **Dr. D. P. Amalnerkar** (Professor Emeritus, Savitribai Phule Pune University, Pune. Former Executive Director, Center for Materials for Electronics Technology (C-MET) (Govt.of India), Pune) on Building the Incredible Nation through Education, Science & Technology: South Korean Story. More than 2000 people has been taken the benefit of public lecture by online and offline mode.

Summary of International speakers given talk on 17th and 18th February 2022.

- **Dr. Taesung Kim,** Professor, Sungkyukwan University (SKKU), South Korea delivered talk on the topic Synthesis of Two-Dimensional Materials and their Heterostructures Using Plasma Enhanced CVD.
- **Dr. Toshihiro Moriga,** Professor, Tokushima University, Japan delivered talk on the topic Synthesis and Photocatalytic Property of Ta3N5 with Inverse Opal Structure
- **Prof. Dr. A. M. Deshmukh,** President, Microbiologists Society of India delivered talk on the topic Metal Nanoparticles by Actinomycetes
- **Prof. Venkatesan Renugopalakrishnan,** Scientist, Professor, Harvard/ Northeastern University, Boston, Massachusetts, United States delivered talk on the topic SARS-COV-2 Variants (Delta & AY.4.2), Omicron (B.1.1.529) and the role of pseudoviruses for future therapeutic role of monoclonal antibodies
- **Prof. Dr. Tanzima Yeasmin,** Professor, Department of Biochemistry and Molecular Biology, University of Rajshahi, Bangladesh delivered talk on the topic Nanobiotechnology: Recent trends in Life science
- **Prof. Ms. Dr. Katia Vutova,** Professor, Institute of Electronics of the Bulgarian Academy of Sciences, Bulgaria. delivered talk on the topic Electron beam nanolithography – processes and limitations
- **Dr. Antony Samrot** Senior Lecturer, MAHSA University, Malaysia delivered talk on the topic Nanosorbents for effective removal of dye and Heavy metals

The following imminent persons also support the conference by chairing the session and work as a resource person of poster and paper presentation,

- **Dr. B. B. Kale** Executive Director, Center for Materials for Electronics Technology (C-MET) (Govt.of India), Pune
- **Dr. Atul Chaskar** Associate Professsor, National Centre for Nanoscience and Nanotechnology, University of Mumbai, Mumbai
- **Dr. Latesh Nikam** Associate Professor, Baburao Gholap College, Sanghvi, Pune
- **Dr. Sudhir Arbuj** Scientist, Centre for Materials for Electronics Technology, Pune
- **Dr. Harshad Jadhav** Visiting Scientist, Myongji University, Republic of Korea
- **Prof. Dr. Ashok Borade** Professor, Department of Chemistry, HPT and RYK College, Nashik
- **Prof. Ms. Dr. Shubhada Nayak** I/c Principal, Karmaveer Bhaurao Patil College, Vashi.

- **Dr. Rajashree Ghorpade** Associate Professor, Karmaveer Bhaurao Patil College, Vashi, Navi-Mumbai.
- **Dr. K. P. Kakde** Associate Professor, Department of Electronic Sciences, S.M. Joshi College, Hadapsar, Pune
- **Dr. Sarfraj Mujawar** Head, Department of Nanoscience & Technology, Y. C. Institute of Science, Satara
- **Dr. R. D. Choudhari** Professor, Shri Shiv Chhatrapati College, Junnar
- **Dr. Virendra S. Patil** Assistant Professor, MIT School of Bioengineering Sciences & Research, Pune Post-Doctoral Fellow, Korea

Validatory Function of conference was done 12th January 2022 by auspicious hand of Prin. Dr. K. G. Kanade, Dr. Manohar G. Chaskar, Dean, Science & Technology, Savitribai Phule Pune University and Dr. Satish Paradeshi, Senior Professor SPPU Pune. More than 400 students, teachers and resource persons take a benefit of online and offline lectures.

Subject: Invitation as a Keynote Speaker for Hybrid International Conference.

Dear Sir,

We are elated to announce that the Rayat Shikshan Sanstha's, Annasaheb Awate College, Manchar, is organising Hybrid(Offline and Online) International Conference on **"Integrative Nanotechnology Perspective for Multidisciplinary Applications (INPMA-2022)"** for students, research scholars, faculty members in Universities/Colleges/Institutes of Higher Education and Industry Delegates. The programme will be organized from **January 16 to January 18, 2022.**

Based upon your outstanding contribution in this field and as you are one of the renowned speaker, your deliberation and participation will surely benefit the participants. On behalf of organizing committee, it gives me an immense pleasure to cordially welcome you as a **Keynote Speaker** and guide the young budding scientists. Your early reply will be appreciated! You are free to opt for anyone mode as per your convenience.

The themes of the program are as follows-

1. Nanotechnology: An Elixir to Life
2. Nanomaterials in Sensors
3. Nanomaterials in Diagnostics and Therapy
4. Microbes in Nanotechnology/Nanobiosciences
5. Novel Applications of Nanotechnology
6. Nanotechnology in Catalysis
7. Nanomaterial synthesis and characterization

The primary objective of the conference is to empower and motivate the stakeholders from the remotest parts to enliven the learning process and keep updated in recent advancements in the aforementioned topics.

Looking forward your positive response.

Thank you.

Subject: Invitation as a Chairperson for Poster Presentations and for delivering a Talk for Hybrid International Conference.

Dear Sir,

We are elated to announce that the Rayat Shikshan Sanstha's, Annasaheb Awate College, Manchar, is organising Hybrid (Offline and Online) International Conference on **"Integrative Nanotechnology Perspective for Multidisciplinary Applications (INPMA-2022)"** for students, research scholars, faculty members in Universities/Colleges/Institutes of Higher Education and Industry Delegates. The programme will be organized from **January 16** to **January 18, 2022**.

Based upon your outstanding contribution in this field and as you are one of the renowned speakers, your deliberation and participation will surely benefit the participants. On behalf of organizing committee, it gives me an immense pleasure to cordially welcome you **as a Chairperson for poster presentations and deliver a talk to** guide the young budding scientists. Your early reply will be appreciated!
Day: Monday
Date: 17/01/2021
Time: 4:00 PM to 5:30 PM

The primary objective of the conference is to empower and motivate the stakeholders from the remotest parts to enliven the learning process and keep updated in recent advancements in the field of nanotechnology.

Looking forward your positive response.

Thank you.

The programme will be organized from **January 16 to January 18, 2022.**

Based upon your outstanding contribution in this field and as you are one of the renowned speaker, your deliberation and participation will surely benefit the participants. On behalf of organizing committee, it gives me an immense pleasure to cordially welcome you as a **Keynote Speaker** and guide the young budding scientists. Your early reply will be appreciated! You are free to opt for anyone mode as per your convenience.

The themes of the program are as follows-

1. Nanotechnology: An Elixir to Life
2. Nanomaterials in Sensors
3. Nanomaterials in Diagnostics and Therapy
4. Microbes in Nanotechnology/Nanobiosciences
5. Novel Applications of Nanotechnology
6. Nanotechnology in Catalysis
7. Nanomaterial synthesis and characterization

The primary objective of the conference is to empower and motivate the stakeholders from the remotest parts to enliven the learning process and keep updated in recent advancements in the aforementioned topics.

Looking forward your positive response.

Dear Sir,

We are elated to announce that the Rayat Shikshan Santha's, Annasaheb Awate College, Manchar, is organising Hybrid(Offline and Online) International Conference on **"Integrative Nanotechnology Perspective for Multidisciplinary Applications (INPMA-2022)"** for students, research scholars, faculty members in Universities/Colleges/Institutes of Higher Education and Industry Delegates. The programme will be organized from **January 16** to **January 18, 2022**.

Based upon your outstanding contribution in this field and as you are one of the renowned speaker, your deliberation and participation will surely benefit the participants. On behalf of organizing committee, it gives me an immense pleasure to cordially welcome you as a **Keynote Speaker** and guide the young budding scientists. Your early reply will be appreciated! You are free to opt for anyone mode as per your convenience.

The themes of the program are as follows-

1. Nanotechnology: An Elixir to Life
2. Nanomaterials in Sensors
3. Nanomaterials in Diagnostics and Therapy
4. Microbes in Nanotechnology/Nanobiosciences
5. Novel Applications of Nanotechnology
6. Nanotechnology in Catalysis
7. Nanomaterial synthesis and characterization

The primary objective of the conference is to empower and motivate the stakeholders from the remotest parts to enliven the learning process and keep updated in recent advancements in the aforementioned topics.

Looking forward your positive response.

Thank you.

Subject: Invitation for virtual International Conference.

Dear Sir

We are elated to announce that the RayatShikshan Sanstha's, AnnasahebAwate College, Manchar, is organising Virtual International Conference on **"Integrative Nanotechnology Perspective for Multidisciplinary Applications"** for students, research scholars, faculty members in Universities/Colleges/Institutes of Higher Education Institutions. The Programme is being organised from **April 22 – April 24 2021**.Based upon your outstanding contribution in this field and as you are one of the renowned speakers, your deliberation and participation will surely **benefit** the participants. On behalf of organizing committee, it gives me an immense pleasure to cordially welcome you to deliver a presentation as a **Resource Person** and guide the young budding scientists. Your early reply will be appreciated!This conference will be organized in both online and offline mode. You are also free to opt for anyone mode.

Following are the themes:

1. Nanotechnology: An Elixir to Life
2. Nanomaterials in Sensors
3. Nanomaterials in Diagnostics and Therapy
4. Microbes in Nanotechnology
5. Novel Applications of Nanotechnology
6. Nanotechnology in Catalysis

The primary objective of the present virtual international conference is to empower and motivate the stakeholders from the remotest parts to enliven the learning process and keep updated in recent advancements in the aforementioned topics.

Looking forward to your positive response.

Thank you.

Subject: Letter of appreciation.....

Dear Sir,

As per mentioned in above subject, we are very much thankful to you for being available as a examiner for poster section of **Chemical Sciences** and delivered the talk on same. The section was organized on 17th January 2022 at 4:00 pm – 5:30 pm on the occasion of Hybrid International Conference entitled "Integrative Nanotechnology Perspectives for Multidisciplinary Applications". In this section you examine all poster presentations in Chemical Sciences and declare result of same. We are thankful to you for giving your valuable time and appreciate your work and expected your cooperation in feature also.

Thanking you,

Yours faithfully,

Sungkyunkwan University
Oct 2015 - Sep 20161 year
Suwon, Gyeonggi-do, Korea

He was awarded Brain-Pool Position by KOFST,Government of Korea to work at Nano Particles Technology Laboratory, School of Mechanical Engineering, Sungkyunkwan University. I enjoyed working with young and dynamic Prof.Taesung Kim.Our team could generate 8 publications.

Executive Director (CEO)
Centre for Materials for Electronics Technology, Pune,India
March 2009 - Nov 2014: 5 years 9 months
Area : Pune, India

In February 2009, Ministry of Communications & Information Technology, Govt. of India, appointed he as an Executive Director of Center for Materials for Electronics Technology (CMET) to look after its 3 lab-units located at Pune, Hyderabad & Thrissur. He has managed

the techno-administrative affairs of all the 3 centers with well carved-out research mandate at each place. He worked in same till his superannuation in November 2014

Day : 29th September 2021
Time : 2.30 PM (IST)
MEET THE EMINENT SCIENTISTS AND ACADEMICIANS OF INDIAN ORIGIN ACROSS THE GLOBE
An unconventional and unstructured talk by eminent scientists and academicians who are of Indian origin across the globe. Get to know about their struggles, their success stories and their ground breaking research.
-: Speaker :- Prof. Animesh Jha
Topic -"Interaction of Ultrafast Laser with BioMaterials and Applications"
Prof. Animesh Jha recived his PhD and DIC from Imperial College (London). He got Postdoctoral Research Fellowship (Mineral Science) from Purdue University W. Lafayette USA (May 1985 - Nov 1986) and (Glasses for IR Photonics): University of Sheffield, Sheffield (UK) (Dec 1986 - April 1989).
Dr.Animesh Jha is working as a Professor of Applied Materials Science and group leader of glass science and devices for photonics since 2000.
His areas of expertise: glass & mineral science; optical fibre, bulk & waveguide lasers and amplific device engineering; pulsed lasers processing; restorative (bone & dental) tissue engineering, tissue diagnostics
Prof. (Dr.) Nitin R. Karmalkar Vice Chancellor, Savitribai Phule Pune University (SPPU)
Dr. N.S.Umarani Pro-Vice Chancellor, Savitribai Phule Pune University (SPPU)
Dr. Aditya Abhyankar Department of technology, Savitribai Phule Pune University (SPPU)

ON THE TOPIC

SOLAR ENERGY CONVERSION: MATERIALS & MEANS (SECMM-2022)

SCHEDULE: THURSDAY, 29TH SEPTEMBER 2022

The department of chemistry has been organized one day international seminar on Solar Energy Conversion: Materials & Means on Thursday, 29th September 2022. Inaugural Ceremony of function has been started 9.00 AM - 9.45 AM. The Chief Guest of inaugural function was Dr. Dinesh Amalnerkar (Professor Emeritus, Savitribai Phule Pune University (SPPU), India) and President Prin. Dr. K. G. Kanade (Principal, Annasaheb Awate College Manchar). Function has been introduced by Dr. A. A. Kale (HOD chemistry).

First Session has been started at 10.00 AM and end at 11.30 AM. The Chairperson for the first session was Dr. Dinesh Amalnerkar (Professor Emeritus, Savitribai Phule Pune University (SPPU), India) and Keynote Speaker was Dr. K. Kalyanasundaram (Senior Scientist (Emeritus), Swiss Federal Institute of Technology at Lausanne, CH-1015 Lausanne, Switzerland). He has delivered lecture on Solar Energy Conversion: Materials & Means and recent challenges and he focused on energy challenges of 21th century.

Second (**11:30 PM – 12.30 PM**) and third (**12:30 PM – 1.30 PM**) session has been chaired by Prof. Samir Shaikh (Head, Department of Chemistry ACS College Narayangaon) and the key note speaker for the second session was Dr. Chaitnya Kanade (Academic Researcher, Sungkyunkwan University, South Korea). The resource person for third session was Dr. Pravin Walke (National centre for nanoscience and nanotechnology university of Mumbai).

The valedictory function has been planned on 3.00 pm the guest for the valedictory function was Dr. Kale A. A. and the President Dr. K. G. Kanade. Total **160 students and teachers** registered for seminar. 1300 benefactory was take benefit of seminar via college youtube https://www.youtube.com/watch?v=S79yzNYVmEs channel mode.

Subject: Invitation as a Keynote Speaker for One Day International Seminar (SECMM-2022)

Dear Sir,

We are elated to announce that the Rayat Shikshan Sanstha's, Annasaheb Awate College, Manchar, is organising one day international seminar on the topic **"SOLAR ENERGY CONVERSION: MATERIALS & MEANS (SECMM-2022)"** for students, research scholars, faculty members in Universities/Colleges/Institutes of Higher Education and Industry Delegates. The programme will be organized on **Thursday, 29th September 2022**.

Based upon your outstanding contribution in this field and as you are one of the renowned speaker, your deliberation and participation will surely benefit the participants. On behalf of organizing committee, it gives me an immense pleasure to cordially welcome you as a **Keynote Speaker** and guide the young budding scientists. Your early reply will be appreciated!

The primary objective of the conference is to empower and motivate the stakeholders from the remotest parts to enliven the learning process and keep updated in recent advancements in the aforementioned topics.

Looking forward your positive response.

Thank you.

WORKSHOP REPORT 2021-22

"A One Day Online Workshop on Software Product Design & Development"

Department of Electronic Science, Annasaheb Awate Arts, Commerce & Hutatma Babu Genu Science College Manchar, Pune organized a workshop on **"A One Day Online Workshop on Software Product Design & Development"** for TYBSc Students. The Workshop was held on **16th December 2021, 11.30 am – 5.00 pm on GoogleMeet.**

Respected, **Mrs. Priyanka S Chavan** was a Resource Person. The Workshop began at 11.30 am in the presence of all the members of the Electronic Science Department.

The workshop was inaugurated by Mr. S. A. Belage, (Head Dept. of Electronics, AA College, Manchar). He expresses his views on different new technologies and guides students on different aspects of technology. The workshop was hosted by Ms. Afroj M Dange, Assistant professor at the Department of Electronic Science, also with a brief introduction of the resource person and welcomed all the participants. The key concept of this workshop is to exchange the knowledge & technical skills in project designing & development of students.

The Workshop witnessed active participation from Electronics students from our department students. Beneficiaries are 12 **participants** joined the workshop virtually as well as they perform hands-on training at the department.

In One day, online workshop **two** sessions were conducted on different technologies required for Software Product Design & Development. The first session includes analog-based simulation and other session microcontroller simulation software along with testing of program and demonstration.

These sessions was very much informative. They discussed areas that were of great benefit for the participants as the topic was very much relevant to the current scenario and working domain. Participants were enlightened with the most widely used advanced technologies in this domain. The webinar ended with a Questionnaire session followed by a vote of thanks. Feedback for the session was also collected and E-certificate was distributed to all the active participants.

Ms. J B Khilari proposed the vote of thanks.

Outcome:

These two sessions in the workshop provided great benefit for participants in Software simulation, fundamental concepts, and how to accelerate software related to Electronics business value, as well as the technical considerations for successfully developing and implementing the skill to become an entrepreneur.
